Dear Sponsor,

  The Palacios Community Hub is actively striving to create solutions and solve the problems our community is facing by breaking down the barriers people face while living in a rural community. Our mission is to *"Improve the quality of life and strengthen the Palacios community by encouraging self-sufficiency through literacy, support for children, workforce preparation, adult education and health services"*. The Hub continues to be a model for other communities with economically disadvantaged citizens as a center that provides multiple educational and social needs under one roof. In 2017 the Hub's programs assisted 6,554 participants, more than double the number served in 2016. Our efforts to eliminate the barriers won't reach maximum effectiveness unless we have the backing of the entire community.

That's where you come in!

  The Palacios Community Medical Center and the Palacios Community Hub are teaming up to host the 1st Annual Happy Hubmore & the Hubshack Classic golf tournament on Thursday, June 14, 2018. We would appreciate if you would consider supporting our event by becoming a corporate sponsor. Corporate sponsorship is only $1,000.00 and will be used to underwrite the event costs. For your generosity your company name and/or logo will be on the event banner, staff and volunteer t-shirts, and all advertisements. The Hub is a 501(c)(3) nonprofit organization which makes your donation tax deductible.

  If you have any questions I would be happy to discuss this event and the Hub's mission with you. I can be reached at 361-972-9990 or palacioscommunityhub@gmail.com.

  I look forward to hearing from you soon, thank you in advance for your generosity and support!

Sincerely,

Cassandra Austin
Executive Director
